# FIVE **benefits** of ownership.

**1**

## **Increase your revenue potential**

Join our nationwide fleet and earn money by renting out advertising space to private businesses, while promoting your own brand.

**2**

## **Reduce advertising costs**

By owning a mobile digital LED billboard truck, you can save money on your business's advertising budget while reaching a wider audience.

**3**

## **You are always in control**

With a mobile digital LED billboard truck, you have the flexibility to manage your own outdoor advertisement schedule and drive to areas where permanent billboards are scarce or non-existent.

**4**

## **Low maintenance**

Our trucks are custom built with care and easy to maintain. All our trucks and LED equipment come with a 3-year warranty for peace of mind.

**5**

## **Advanced Technology**

Our LED screens mirror image a laptop, and with a built-in WI-FI hotspot, you can control the artwork from anywhere, and plug in any video signal into the truck's HDMI input for versatile ad options.

# Tech specs.

At the heart of our trucks lie our commitment to using only premium materials, ensuring that your investment is built to last. With side screens measuring 6'4" h x 11' w and rear screens measuring 6'4" h x 6'4" w, your message will be impossible to ignore.

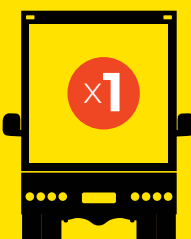

Designed to withstand even the toughest of conditions, our trucks offer unmatched quality, performance and reliability. They come fully equipped with everything you'll need to get your show on the road.
